

Coronavirus COVID-19:

Our response

We take the health and safety of all of our visitors, staff and contractors very seriously. Our Information & Sales centres are now closed. However, we are still responding to enquiries by phone, online, video or private appointments.

What we are doing:

- Meetings are by **appointment only**.
- Ensuring there is washroom facilities available.
- Practicing strict social distancing and having no physical contact with visitors such as handshaking.
- Ensuring any staff that are not feeling 100% stay at home.

What you must do:

- If you feel unwell (or someone close to you is unwell), please stay at home.
- If you need a private appointment, please call to arrange.

Call 9590 0000 and speak to Garth

YOU MUST NOT VISIT US IF:

- If you have returned to WA from an interstate or international location, you must **SELF-ISOLATE** for 14 days (WA Government regulations).
- You have been diagnosed with COVID-19 and have not yet been cleared to return to work by a medical practitioner;
- You have knowingly come into contact with a person diagnosed with COVID-19 in the past 14 days.

Please note toilet facilities are not available to the general public

Practical tips to help reduce the spread of COVID-19:

STOP

shaking hands or hugging when saying hello or greeting other people.

DISTANCE

yourself at least 2 metres (6 feet) away from other people, especially those who might be unwell.

WASH

your hands well and often to avoid contamination.

COVER

your mouth and nose with a tissue or sleeve when coughing or sneezing and discard used tissue.

AVOID

touching eyes, nose or mouth with unwashed hands.

CLEAN

and disinfect frequently touched objects and surfaces.

Common symptoms of COVID-19 are:

- Fever (high temperature)
- A dry cough
- Shortness of breath
- Breathing difficulties

However, you may have contracted the virus but have little or no symptoms. If you have had contact with someone who is unwell, please **DO NOT** visit. Please call us and we can make alternative arrangements to assist you.
